Mr. Mike Stoker
Regional Administrator
U.S. Environmental Protection Agency
Region 9
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Stoker:

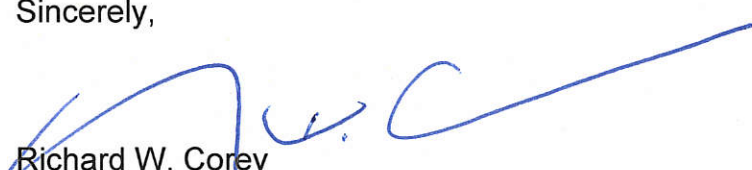

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air quality management districts (Districts):

- Eastern Kern Air Pollution Control District
- Mojave Desert Air Quality Management District

The Districts' SIP revisions are identified in CARB's Executive Order S-18-010 adopting the Districts' rules as revisions to the SIP, and Enclosure A, identifying the specific rules amended by the Districts, both of which are enclosed. To meet the U.S. EPA criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the Districts.

If you have any questions, please contact Mr. Kurt Karperos, Deputy Executive Officer, at (916) 322-2739, or have your staff contact Dr. Michael Benjamin, Chief, Air Quality Planning and Science Division at (916) 201-8968, or via email at Michael.Benjamin@arb.ca.gov.

Sincerely,

Richard W. Corey
Executive Officer
